Dear General DePuy:

On 6 June at 1330 hours, our Foreign Area Officer Course students will finish five and one-half months of training here at the Institute and be graduated. For these thirty-one, this represents the completion of a major phase in their preparation to serve in US politico-military positions throughout the Army. In the current class, there are officers going on for further training and/or utilization abroad as Army Attaches and MAAG/Mission or MilGroup Security Assistance Managers; in CONUS to the DA Staff, and as TRADOC Service School instructors; and to FORSCOM troop units. A roster of the graduates and their projected assignments is attached.

It would be extremely helpful to all here if you could join us for the graduation and deliver a few philosophical and guidance-type remarks to the class and faculty. Recognizing the pressures of your schedule, I am prepared to move the graduation time on 6 June either forward or backward to conform to your possible availability, and in a few days, I will call your office to get a decision. Perhaps by that time you will have been able to determine whether your schedule will permit you to spend a few hours with us.

We look forward to the possibility of your joining us here at the Institute for the FAO graduation.

Very respectfully,

MICHAEL D. HEALY  
Brigadier General, USA  
Commandant
